STAT

Dear [REDACTED]

On the occasion of my retirement from government service, I want to thank you for the spirit of cooperation you have shown as a member of the DCI Security Committee. I'm particularly appreciative of the constructive counsel you've regularly offered to help us thread our way through difficult or perplexing situations that have arisen at some committee meetings. My thanks also for the expertise you have provided from your staff to chair working groups to explore particular issues of security concern.

I know that my successor as chairman may not have the advantage of your counsel for long, but I am sure he can look forward to support from you until you too leave. I have enjoyed working with you toward our common objective of sound security for the nation's intelligence activities.

Sincerely,

Robert W. Gambino
Chairman
